

1. What was the date & time your team met?

15 Feb 2025 18:00 GMT+1

2. What is your team group name?

e-vengers

3. What is your team's agreed-upon problem statement? It should be related to a GCGO, clear, well defined, including listing the population affected and addressable using technology. Remember, it should be several sentences long, similar to the example provided in your **First Team Meeting Agenda**.

GCGO: Education

Our problem statement:

Morocco faces a critical skills gap in digital education, limiting access to global job opportunities. Our AI-powered E-learning platform addresses this challenge by offering personalized, project-based training in AI, blockchain, and web development, tailored to industry demands. Through blockchain-verified certifications and direct job placement partnerships, we ensure learners gain practical expertise and access to remote and freelance opportunities. Our sustainable business model, combining a freemium learning approach, corporate training, and subscription plans, not only democratizes education but also drives Morocco's transition into a competitive digital workforce, fostering economic growth and technological innovation.

4. Share all your team roles, both primary and backup. Write the peer's name and the role(s) they are filling next to it. For example: *Josephine Oware - Project Manager (primary); Data Analyst (backup)*. Each team has 4 - 6 people and you must write at the very least 4 names and 4 team roles. But if for any reason you end up with fewer people, you can still write at least 4 roles (2 primary and 2 backup for each person.)

**e-vengers team roles:**

*Alae eddine lakhdar - Project Manager*

*Placide Logamou Wambissou - Project Manager ( Backup )*

*Placide Logamou Wambissou - UX Research & Design*

*Alae eddine lakhda r- UX Research & Design(Backup)*

*Saad Khtidak - Data Analyst*

*Joseph Amonoo - Data Analyst(Backup )*

*Joseph Amonoo - Product Manager*

*Saad Khtidak - Product Manager(Backup)*

5. What is the scheduled date and time of your Week 6 team meeting?

21 Feb 2025 08:45

6. Share 2 data visualizations that are relevant to your team's problem statement and align with the team's goals and priorities. These are 2 of the top 3 visualizations that your team selected and agreed upon during **this second online group activity**.

Piechart and bar charts

7. What are your action items from the team meeting? (what do you need to do before the next meeting?)

Do research on our chosen topics and gather and prepare some relevant data and information before the set date

8. In 2 - 3 sentences write your analysis of each visualization.

9. Write a reflection on your experience and your team's effectiveness so far. Be sure to include:

- What is working well with your team?

Effective Communications and collaboration

- What is one good thing that happened during your team meeting?

Contribution of each member during the presentation of the GCGO.

- What is one thing your team could do better in the next meeting?

Showing up on time and being ready

- Are you experiencing any frustrations with your team? If yes, what can you personally do to lessen the frustration?

So far things are moving smoothly but just the organisation that needs to be well structured.

- How would you rate your ability to communicate with your team members on a scale of 1 to 4? (1=extremely poor and 4=excellent)

- I would go for 3

- What is your biggest concern about working with your team during Phase 2?

To be able to play our individual parts well and finish on time.

- How might you address that concern as a team?

Setting reminders and encouraging each other on the journey.

- What is one hope you have for your team during Phase 2?

We will achieve a great milestone and be victorious.

- Overall, how satisfied are you with how well your team is working together? (On a scale of 1 to 4, with 1=extremely poor and 4=excellent)

I would say 3 based on how we are collaborating.
